QUICKSTART TENNIS

We are introducing the USTA Quickstart Tennis Program for children ages 10 and under. This new and exciting program uses a smaller court size, lower nets and a slower-moving tennis ball as a training method for children. We will be adding additional classes in 2012 but this is your chance to sign up for our introductory session. These classes can be the only tennis class for your child or a supplemental class to their other Public Lesson classes.
For more information regarding this program call Maureen Solomon at 818-843-4105.
